

Happy Hours

Summer Enrichment

A summer of fun and hands-on learning including cooking, sports, art, science, music, and much more for children ages 5-12!

Tucson's Magic Kingdom

It's A Small Town After All

Tucson is a small town! Our first week is all about getting to know one another, building our camp community, and celebrating the unique attributes of our town.

Tomorrowland

What does the future hold? Activities will stretch the imagination and we'll explore the universe with a field trip to the U of A's Steward Observatory to view the sun.

Animal Kingdom

Our world is home to a magnificent variety of animal life. Going behind the scenes at the zoo or catching native bugs, we'll learn about the wildlife in Tucson and around the world.

Frontierland

Tucson has a history of being on the frontier – from being part of the "wild west," to the home of the Mars Lander. Activities will explore and expand our knowledge of the past and the potential of the future.

Adventureland

This week EVERYTHING is an adventure! We'll explore the unknown, solve mysteries and venture out beyond the city limits.

Main Street U.S.A.

Everyone's All-American this week as we rediscover America's favorite pastimes, reminisce through the decades, and celebrate the 4th of July as only a small town can.

Fantasyland

Tall tales, fairy tales, mythology, dragons, and superheroes both real and make-believe will inspire our imaginations and creativity.

Typhoon Lagoon

As the weather gets sizzling hot, we will be in a cool world of water exploring the ocean depths, sea creatures, sun safety, and getting wet!

World Showcase

You don't need a passport to travel around the world! Without ever leaving Tucson, we'll discover other countries through their games, music, art, customs, food, holidays and more.

May 31st to July 29th
Monday-Friday • 7am to 6pm

Sam Hughes Elementary School • 700 N. Wilson

Field Trips and Snacks Included
