The Liberty Partnership

Enhances the capacity of individuals and families and strengthens the capacity of organizations in the Southside Community in a variety of ways. The **Father to Father program** promotes the importance of fathers' involvement in their children's lives. Technical assistance is provided to assist neighborhood associations. To enhance volunteerism in the community and participating schools, monthly community council meetings, the **Adelante Nuestro Futuro Conference**, and the Community Store provide opportunities for people to get involved.

Mission:

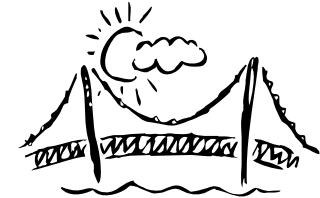

To bring together residents, organizations, and agencies who are committed to serving the Southside communities.

Liberty Partnership accomplishes this mission through the programs listed above, as well as the following areas.

- Identify, develop and/or support efforts that address community needs.
- Function as a network for sharing information, collaborations and/or funding opportunities.
