What parents say about Happy Hours

"I love Child & Family Resources' Happy Hours program and its Camp Double H program in the summer! The staff is very responsible and always seems to have plenty for the kids to do - sports, games, arts, crafts, movement, music. My children have never complained about being bored. And having the program run until 6 p.m. every day is great for me - their working mom."

-Diane, parent of two participants at Sam Hughes site

"With a special needs child, it's good to know he's in a place that will always care for him."

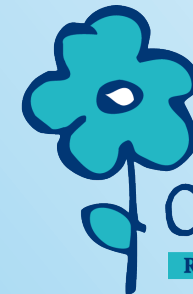

-Serena, mother of two participants

Child & Family Resources is a nationally accredited, non-profit agency dedicated to enhancing the quality of life for all children and their families.
